*Named "The Best" Irish website
by The Boston Phoenix*

A resource guide for New England's Irish population, *BostonIrish.com* is run by a Dorchester based newspaper called the *Boston Irish Reporter*. With screens set against fields of green shamrocks, the website delivers breaking news out of Ireland and local listings for lectures, readings, plays, Celtic festivals, and performances by Irish balladeers and fiddlers. This is also a serious resource for news on Irish sporting events, from soccer to "hurling matches."
